November 15, 2017 - 5 to 7:00 pm □

“A CYBER ERA AND IMPACT ON THE
INTERNATIONAL ENERGY BUSINESS”

SPEAKERS

Marc Miller
General Counsel
McCann Investigations

Dorothy Filippov
Certified Fraud Examiner
McCann Investigations

Jose Maria Lujambio
Partner
Cacheaux, Cavazos, and Newton (CCN)

Adam Cernea Clark
Manager, Environmental and Natural Resources
Pattern Development

Each of the companies and speakers work in the worlds of international business and law covering the cyber security and energy industries in USA, Mexico, and other countries. Come to hear and speak with the lawyers and professionals in a discussion covering wide range of current events, future trends, career opportunities, and advice for the challenging roads ahead.

Presentation is from 5-7pm followed by a networking reception. Ample opportunity for questions and exchanges. If you are interested in careers in energy and/or cyber security industries, and want to work in international law and business, do not miss this event!
