MEXICAN LEGAL PERSPECTIVES SYMPOSIUM

Since its inception, the Annual Institute has brought together top legal minds to discuss the latest developments in international law. To commemorate our 50th anniversary this year, the **State Bar of Texas International Law Section** is partnering with SMU to bring you this high-level forum. Hosted by the SMU Mission Foods Texas-Mexico Center, the Dedman School of Law at Southern Methodist University (SMU), the SMU Rowling Center for Business Law & Leadership, and the Instituto Tecnológico y de Estudios Superiores de Monterrey, the symposium will address the upcoming changes in the Mexican legal system, their multiple ramifications, and their effects on the areas that most impact the U.S.-Mexico relationship, particularly the U.S.-Texas border. Key topics include bilateral trade, tariffs, and constitutional and energy reforms.
